Choose a meeting

Selecting a meeting uses its stored attendance.

MAJORITY REACHABLE

✓

Reachable

10 members are present. The recorded threshold of 10 can be reached.

Present	Threshold	Applied rule
10	10	r1

This result describes whether enough members are present to reach the recorded majority threshold.

THE COMPLETE INPUT RANGE

Every attendance count

Read the rule and source context

For all votes, the winning candidate option is the one that wins a simple majority of all TSC voting members in every head-to-head election against each of the other candidates.

Recorded example: 18 voting members, from the roster retrieved September 4, 2026. Historical meeting results use that recorded roster.
